THE
TROPICO INTER-URBAN SENTINEL

Devoted to Tropico, the San Fernando Valley and Southern California

VOL. VI TROPICO, (Los Angeles Postoffice) CALIFORNIA, WEDNESDAY, OCTOBER 11, 1916 NO. 40

Public Library

PROCEEDINGS OF BOARD OF TRUSTEES

Though President Peters is a victim of the prevailing epidemic of colds, and had to leave his bed to attend the Council meeting, he was on duty as were the rest of the Board with the exception of Trustee Boyce.

Gas On Acacia

The written communications read by the Clerk included a letter from the gas company stating that its main on Acacia would be extended to within 150 feet of Central avenue.

Tax Penalty Question

A letter from County Auditor Lewis relative to the claim of Tropico and other cities to penalties and interest which he has been passing to the general fund, stated that this custom had been challenged by Pasadena last year and referred to the Attorney General from whom he expected to soon have a ruling which would render unnecessary any legal action by complaining cities. On motion the letter was placed on file.

The report of the P. L. & P. gas extensions and betterments for the month of August was read and ordered placed one file.

Japanese Market

When oral communications were called for, two Japanese, one of them being Mr. Makagawa who operates a farm market on Tropico avenue, appeared and with Marshal Gould as spokesman, asked for a permit for the buildings they have erected of the vertical board and batten type. The inference conveyed was that they had been put up without the knowledge that a permit was required.

Moved by Henry that the permit be denied. Trustee Seal protested that the market was an advantage to the community, also that Mr. Makagawa was not permitted to own land and therefore had to content himself with temporary buildings. President Peters sustained Trustee Seal's argument and when put to vote the motion was lost.

Appeals Against Assessment

Formal appeals were read from Lelah Larsen, Mary H. Baldwin and German American Trust Savings Bank against the assessments and warrants issued against the property described in the sum of $475.42 and $386.29 respectively, as being exhorbitant and in violation of a contract between the city of Tropico and Lelah and H. P. Larsen which provided for an assessment of 10c per front foot. A resolution prepared by the City Attorney setting a date for the hearing of these appeals, viz, October 17th at 7:30 p. m. in the Council Room of the Citl Hall, was read by the Clerk and adopted by the Board.

Columbus Avenue

In the matter of the opening of Columbus avenue City Attorney Shaw reported he had come to the conclusion that if a proceeding is started it can be protested by a majority of the frontage. Mr. Todd then made a protest on behalf of two owners who, he said, represented a frontage on Columbus of 127 feet. He declared they were not in favor of having the street improved. Trustee Henry explained that the present movement is merely for the opening of the street, which Mr. Todd agreed was quite a different matter. Henry then moved to proceed with the opening of Columbus avenue, but was persuaded to withdraw his motion and the matter went over for one week.

City Printing Bond

The bond in connection with the contract for city printing was read and approved, and the execution of the contract ordered.

Lighting Contract

A contract was read between the City and the Pacific Light and Power Co., providing for the furnishing of 113 lights on Brand and San Fernando boulevards at a minimum of $75 per month or a rate of 5 1-2 cents per kilowatt hour from sunset to 11:30 and 4c per kilowatt for the balance of the evening until turned off, said contract to terminate November 1, 1917. Contract was approved and its execution ordered.

Street Tree Pruning

Horticultural Inspector Fleury reported that about 350 pepper trees in the parkways need pruning, urging that the city assume the work. On motion of Henry the Trustees voted to undertake the work.

Auto Licenses

Applications for taxicab licenses from W. O. and M. B. Hood were granted.

Demands

The following demands were read and ordered paid: Pettibone and Co., for globe, $3.90; T. G. and T. Co., Water Dept., $15.73; Telephone extension $1.35; Police Dept., office expenses $3.10; C. K. Lake, labor $2.50.

Weeds on Gardena

Trustee Seal reported complaints that Gardena avenue badly needs to be cleaned of weeds. Trustees Peters and Henry volunteered to inspect the street. The Board then adjourned.

LIBRARY NOTES

The regular meeting of the Library Board was postponed from October 9 to October 16, at which time the question of purchasing several valuable sets of books will come up for decision.

One of the latest acquisitions of the library is Harold Bell Wright's new book, "When a Man's a Man." This book is in such great demand that there are still thirteen names on the reserve list waiting for it. It was presented to the library by Mr. Burch.

One of the recent purchases is "Apollo," an illustrated manual of the history of art throughout the ages. It is a very complete little reference book for the art student, being profusely illustrated with samples of the different schools of art; architecture and sculpture being treated as well as painting.

A valuable donation to the historical department of the library is the "History of the French Revolution" in two volumes, by Abbott, "The Life of Napoleon Bonaparte," in four volumes by the same author and "The United Netherlands" by Motley.

The following series of boy's books are being completed as rapidly as the missing titles can be obtained from the dealer: "Motor Boys," Pony Rider Boys," "Tom Swift," "Putnam Hall," "Motor Boat Club," "Submarine Boys," "Boy Aviators" and "Dave Porter."

The library is free to any resident of Tropico and can be used by non-residents upon payment of a small fee. The use of the reading is free to all alike. The librarian is always glad to furnish application blanks upon request.

THURSDAY AFTERNOON CLUB

It was a very attractive audience chamber into which members of the Thursday Afternoon club were ushered when they sought the Council Chamber of the City Hall last Thursday afternoon for the opening meeting of their organization. Curtains at the windows, rugs upon the floors, and big jars of pink and white cosmos so transformed the place that the city fathers would hardly have known it.

The officers and reception committee were on duty to welcome all arrivals, glad to come together after the summer's rest from club work, and the occasion was a great success socially. All were delighted with the new quarters and looking forward to the informal program which the year book had announced. All were anticipating the meeting with Mrs. Harmon, the District President and special guest of the day, whom many had already met and loved. Perhaps a little curiosity about the manner in which the new president would meet her responsibilities added to the interest of the occasion. But none was disappointed. Though possibly a trifle nervous when she struck the gavel to call the ladies to order, Mrs. Kimberly assumed the office with dignity and acquitted herself with great credit in a brief unaffected little speech of greeting in which she expressed the hope that all had, like herself, spent a happy summer and were now ready to don the harness of service and work with her. She then announced a business session which opened with the reading by the Secretary, Mrs. Wesley Bullis, of the minutes of a meeting held July 6th at the home of the president.

The Corresponding Secretary, Mrs. W. H. Fleming, read several communications, one an invitation from the Woman's club of Burbank to attend a reciprocity meeting in that city October 17th.

Another communication invited participation in an excursion to Riverside, Saturday, October 7th for the purpose of furthering art and music.

Miss Ida Myers submitted a proposed amendment of the constitution raising the club dues from $2 to $3 and urged all members to come to the next meeting prepared to express themselves freely upon the question.

Mrs. Turck resigned as leader of the music section.

The President announced that the Travel Section would be inaugurated in an open meeting at her home Friday afternoon, October 27th at which the topic would be: "Vacation Stunts by Our Own Members in Our Own Land."

Mrs. Edwin Virden as Chairman, announced the program for the next meeting, and then the brief but delightful musical program of the afternoon was opened by Miss Melicent Virden who gave three piano numbers beginning with a Caprice from the opera of Alceste by Gluck. She explained that it had been written in 1767 but had been modernized by Saint Saens, that Gluck was a revolutionist in music and had restored opera from the florid Italian mannerisms to a simple style. Her interpretation was exquisite and was followed in hushed silence by her audience.

Her second number was by Gabrielvich whom she characterized as the most wonderful of our present day pianists.

The third of Liszt's "Dreams of Love" completed the trio, a tender composition played with much delicacy of feeling.

Miss Virden then furnished the piano accompaniment for a group of Northern songs beautifully rendered by Miss Allen, who puts a dramatic quality into her singing which lifts it far above that of the average vocalist.

When the music ended Mrs. Loyde Harmon was gracefully introduced by Mrs. Kimberly and at once congratulated the club on its president, its attractive quarters and its good fortune in securing the services of such unusual musical talent. Her simplicity and charming personality completely won her audience whom she gently warned against a too strenuous life. "Take time to relax," she advised. "When your head gets in a whirl sit down to the piano for an hour, read a new book, or go to a play, anything to change the current of your thoughts and clear your brain. I want you," said she, "to keep two queries in view. How can we do the most good to others and how do the most good to ourselves. We all want

to be helpful. Perhaps we are asking ourselves how we can help our club best. We cannot all be presidents or secretaries but if each one will form the habit of going to club regularly she will be just as important as the president. No president can carry a club along unless others help. We need too, a great deal of reciprocal frankness unmixed with sensitiveness."

She spoke the the matters which the Legislative Committee of the District Federation has recommended to the indorsement of the clubs. The three things they have decided to push are: the betterment of community property laws; some provision for the feeble minded known as "morons," and improvement of the Mother's Pension Act.

She told of new departments established by the Board, notably that of Child Welfare with headquarters in the Chamber of Commerce in charge of Dr. Wilde, where lectures will be given Tuesday and Thursday afternoons, and where parents can take children who are backward physically or mentally for examination and receive expert advice. She urged the club to familiarize itself with all the departments of the federation and to remember that all these department chairmen are subject to call and at its service.

When Mrs. Harmon concluded her talk members pressed forward to greet her and the hostesses summoned all to the tables where tea and wafers were served while members visited and exchanged social gossip. Mrs. Virden presided at one table assisted by Mrs. W. C. Anderson, while at the second table Mrs. J. W. Ashton was assisted by Mrs. Bullis. Reluctantly members separated and left for their homes, congratulating each other on the way over the success of the opening meeting.

ELKS IN HIGH FEATHER

Tropico and Glendale delegates to the Elks' convention at Santa Barbara which opened last Friday, came back much elated because Glendale made such a fine record. Four prizes were offered for competitive drill work. Oakland secured the first but the second came to the Glendale-Tropico teams. The organization numbers about 650 members and sent a delegation of 175. The third prize was won by San Francisco, the fourth going to Los Angeles.

The Monday Luncheon Bridge club met Monday at the home of Mrs. A. L. Beach of Glendale.

Pythian Sisters held their regular meeting last Friday evening at which plans were made for a social evening a fortnight later. No definite program was outline but it will probably be a Hollowe'en function.

Round Table Girls met at the home of Miss Blanche Shea Tuesday evening.

SURPRISE PARTY

Friends and old neighbors of Mrs. William Tatum of Boynton street, gave her a delightful surprise last week Wednesday. About one forty-five in the afternoon sixteen of them sought admission at her door with all the preparations of a party in the shape of refreshments which were served later. Mrs. Tatum was completely surprised but none the less delighted. Needlework and visiting occupied the afternoon. Mrs. Tatum has not long been a resident of Boynton street and her friends thought it would be a good way to make her feel at home in her new environment.

The P. E. O. will meet Friday afternoon at the home of Mrs. Charles Barker on Glendale avenue. Political debates will feature the program. The next meeting, October 27th, which will be held at the home of Mrs. Tholen, will be Reciprocity Day.

The Lucky Thirteen club will have a theatre party Friday night in Los Angeles, followed by a supper after their return at the home of Miss Dorinda Haviland on El Bonita avenue.

ENJOYABLE DINNER PARTY

Mrs. and Mrs. Thomas Meagher of Tenth street, entertained at dinner on Tuesday evening in honor of Mr. and Mrs. L. F. Benner and son Leon of Portland, Oregon and Mr. T. W. Wallace of Ottawa, Canada. Covers were laid for twelve guests. The rooms were artistically decorated with autumn colors for the occasion.

Return to Congress

NINTH DISTRICT

Hon. Charles W. Bell

A DRY REPUBLICAN

Independent Candidate

The only member of congress from this 9th District who has voted for National Prohibition. Stands for protection of American products and industries. Stands for preparedness, both military and economic. Stands for National equal suffrage. Vote for a republican who will be able to secure recognition from a republican congress and accomplish results for the district. Mr. Bell did not compete in the primary election. His candidacy is made by request of a republican district conference. His name will be printed on the ballot:

CHARLES W. BELL, Independent X

BIRTHDAY CELEBRATION

This week Wednesday evening, the veteran, Robert Taylor of Palmer avenue is celebrating his seventieth birthday with a reception from four to six to which his friends and neighbors have been invited and members of the N. P. Banks Post and Woman's Relief Corps. There will be music by Mr. and Mrs. Marple, Mr. Taylor will tell some of the interesting experiences of his long and eventful life, and refreshments will be served. It will be the social event of the week.

WARNINGS

Horticultural Inspector Fleury is warning the public against being swindled by a man who is going about getting contracts for spraying trees. The mixture he uses is worthless according to Mr. Fleury and all persons who made use of his services have had to do the work over again. The man has no license and is not indorsed by the authorities. Mr. Fleury's instructions are not to pay any bill for spraying or fumigation until the work has been inspected and pronounced all right by the county authorities. Mr. John A. Logan and Mr. Augustus are said to be victims of this sprayer.

TWIN CITY LODGE

Twin City Lodge No. 331 met in regular session with an enthusiastic attendance of membership. Many points of interest were brought up. The contest is progressing in fine shape. All the members are urged to get in on it with the rest of us.

Brother W. G. Cressey was out to pay the lodge a visit from Los Angeles and made a very interesting talk. The meetings are getting warmer and larger all the time and we will spring something of interest in the near future.

PUBLICITY COMMITTEE.

It has been announced that James J. Jeffries, the retired puglist, will build a beautiful residence on his ranch near Burbank to cost $15,000. A patio containing a barbecue pit and accessories for the entertainment of his friends is said to be a feature of the plan.

MOTOR ACCIDENTS

Last Thursday evening, George Martin, who for three years has made his home in the family of Mrs. A. M. Phillips of 341 Moore avenue, this city, while riding on a motorcycle collided with a laundry wagon belonging to a Chinese laundryman in Glendale. He was thrown from the machine and was insensible when picked up and carried to Thornycroft Hospital where he died the following morning at 8 o'clock. His home was in Kelso, Washington, but he has been in California for eight years and his half brother, Mr. Aney, is a resident of Glendale. To the Philips family he was like a relative and his death was a great shock to them. He was but 21 years of age and was much beloved by all who knew him. The coroner's jury, summoned to investigate the death, found it to be an accident and lodged no charges against the laundryman. The remains were shipped to relatives in Washington, Monday.

Friday morning following the accident chronicled above, two boys riding upon a motorcycle met with a similar accident. One was Sam Merican, a former resident of Tropico who now lives at 771 East Thirty-ninth street, Los Angeles, the other Francis Hoopes of 1554 Colorado street. On San Fernando Road they collided with a truck operated by the Tropico Transfer Company. Francis Hoopes escaped with but slight injuries and was able to return to his home Saturday. His friend was not so fortunate. A rib was fractured and the lung on that side punctured. At this writing he is still critically ill but is having every attention that science can afford and the chances for recovery are considered to be in his favor.

More fortunate were Mr. and Mrs. Ryan, who were driving from Bakersfield to Los Angeles in the rain last Thursday night when their machine was struck by a truck just below Mission Hospital on the San Fernando Boulevard. She was slightly injured but suffered more from the nervous shock. Her husband escaped damage of any sort and they were able to continue their journey next day.

Exports from San Francisco in August amounting to $12,686,224 broke all records.

WANTED: A STATION

Last week representatives of the Tropico Chamber of Commerce petitioned the Pacific Electric Railroad to build a station at the intersection of Cypress avenue and Brand boulevard. The company sent an employee to Tropico to look into the matter and report. The petition with the report of its representative is now before officials of the road for consideration, but what the decision will be cannot be forecasted at this time.

It is believed by the petitioners that a station here would not only put Tropico on the map in an effective way, but that it would also develop a carrying trade in freight and express and promote business in Tropico. The site named is the suggested terminus of the projected electric loop which is to run south from Broadway on Sycamore Drive, now in process of improvement. Not all of the right of way across Tropico to the proposed junction with the main line at Cypress and Brand, has been secured, but a considerable portion of it has been signed up. The rest can no doubt be had by condemnation proceedings if voluntary deeds are not obtainable. At the last meeting of the City Council, Trustee Seal offered a resolution to ask the P. E. for such a station. It was strenuously opposed by Trustee Henry and the Board being thus divided, no action was taken. A station would certainly help, and Tropico is worthy of consideration.

BIRTHDAY PARTY

Mrs. Clemens of Eulalia avenue was hostess at a party Saturday afternoon in celebration of the tenth birthday of her son, Earl Clemens Jr. Six of his boy chums were guests. A lunch calculated to please the young guests was served, a conspicious feature being a birthday cake bearing ten candles. The afternoon was very happily spent in games that boys like.

Rev. and Mrs. Samuel Goodsill have returned from Chicago and are now in Los Angeles. Their many friends here hope they will locate for the winter in Tropico.

A LOYAL SCHOLAR

One of the many interesting features of Rally Day at the Presbyterian Sunday school last Sunday was the report of little Miss Mildred Moody who in the course of five and a half years has never missed Sunday school but once except when she was ill. She will be nine years old in January.

PROPOSED NEW DIRECTORY

Mr. F. Wilkinson, the publisher of the last official directory of Glendale and Tropico was in the city Tuesday interviewing business men in regard to the issuance of a new directory. He reports that he found the merhants very appreciative of the last directory and disposed to liberally support the new issue.

PORTRAIT STUDIO

Mr. Robert B. Morton, who bought out the Tresslar photographic studio about the first of August, has made extensive changes and is now prepared to do the same high class of portrait work turned out by his studio in London, England.

Tropico is quite an art center and well located to secure the exclusive patronage he expects to attract. Mrs. Morton, a color artist of international reputation will assist him.

NOTICE OF APPEAL

Notice is hereby given that Leiah Larsen, Mary H. Baldwin and German American Trust and Savings Bank have appealed to the Board of Trustees of the City of Tropico from the acts and determinations of the Street Superintendent of said City in issuing his assessment and warrant, dated September 5th, 1916 for the improvements of Adams Street and Moore Avenue in said City, upon contract heretofore made between said Street Superintendent and E. Schelling for the improvement of said Streets, and in making assessments upon the land of said Leiah Larsen and Mary H. Baldwin designated in said assessment as Assessments Nos. 37, 38 and 40, for the cost of said improvement, and that said appeals and all appeals from said assessment and warrant have been set down for hearing and will be heard by said Board of Trustees upon the 17th day of October, 1916, at 7:30 o'clock P. M. at the regular meeting place of said Board in the City Hall of the City of Tropico, at the southwest corner of Brand Boulevard and Tropico Avenue.

Given by order of said Board of Trustees, this 10th day of October, 1916.

MARGARET R. COLEMAN,
City Clerk of the City of Tropico.

CHURCH RECEPTION

Members of the Methodist church of this city gave a reception Tuesday evening in celebration of the return of Rev. Don Ford to this pastorate for the coming year. It was a social affair, the program being quite informal, and refreshments were served by the Ladies Aid Society.

The address delivered by Rev. Montgomery at the union service Sunday evening in the Methodist church to promote the campaign for California Dry, gave great satisfaction to the excellent audience which gathered to hear it. The Martle Quartette also contributed some fine musical numbers.

The same evening, but at an earlier hour, there was a union young peoples' meeting addressed by Dr. Wadsworth of Los Angeles, who is also a Dry campaigner.

The Presbyterian Ladies Aid will have its monthly luncheon and sewing bee this week on Thursday in the church social hall.

CLASS SUPPER

It was celebration night Tuesday evening for members of the Men's Class of the Presbyterian Sunday school, of which Mr. Frye is leader. A fine supper was served by the wives of the ten members, each of whom was permitted to bring a guest. Covers were therefore laid for about twenty-five, as Pastor Rider and the Sunday school officers were also guests. The program was informal but none the less enjoyable.

About 350 persons attended the Federation Brotherhood meeting held at Masonic Hall in Glendale last week Tuesday evening. It was the first Ladies' Night which the organization has given this season and the guests of honor were Dr. G. M. Gandier, head of the California Dry Association and Marie C. Brehm, who has made a special study of vineyards and has made investigations for the government. The supper was served at four long tables by ladies of the Methodist church.

The value of the Imperial Valley cotton crop this year is estimated at $6,000,000.

$1.25 FOUR MONTHLY MAGAZINES $1.25

MR. PACKER'S PLATFORM

Stephen C. Packer, candidate for Supervisor from the 5th District of this county, is very clear in his position on vital questions in his platform in which he says: "Lack of sufficient work to keep all employed at fair wages is the cause of much poverty. The experience of the largest employers of labor has been that a man can do as much in eight hours as he can in nine or ten hours, and, at the same time, be more healthy, contented, happy and a better citizen. It should be the aim of Los Angeles county to keep as many of its citizens as possible at work at fair wages. I therefore announce myself as empratically in favor of an eight-hour day and good wages on all county work, but a dollor's worth of work should be insisted on for every dollar of the county's money expended."

LOCAL HAPPENINGS

Members of the Thursday Afternoon club received a most cordial invitation to attend a reciprocity day, October 17th, at which the Burbank Woman's club will be hostess. It is hoped that Tropico will be well represented. The program promised is most attractive. Mrs. Kimberly will go and probably other officers.

Mr. and Mrs. Frank Booth spent Sunday in Los Angeles with Mrs. A. D. Curtis of 5044 Maplewood avenue.

Miss Cora Hickman has gone to El Centro to look after business interests in connection with her Imperial Valley ranch. She expects to be away ten days or more.

Charles Philips, the young son of Mr. and Mrs. C. H. Philips of San Fernando boulevard, returned last week from the Angelus Hospital where he went for an operation to remove adenoids and reduce tonsils. He is in fine physical condition now and quite fell in love with the hospital and its attendants, with whom he was a great favorite.

Mr. P. E. Gilmore, formerly of Tropico, now residing in Taft, spent Sunday with his daughter and other relatives in this city.

Mrs. Chadwick and daughter Florence have given up their apartments in Los Angeles and will again reside in Tropico. They are staying at present with Mrs. Chadwick's daughter, Mrs. Robert Danner of Gardena avenue.

Be careful you dont' overlook our big club of four magazines which we are sending our subscribers this year.

Mrs. Robert Wildman of 128 East Laurel, who has been confined to her bed for some time, is now able to be up and around.

Mrs. A. H. Donecken of 205 Tropico avenue and Mrs. Frank Donecken of Glendale, left Friday for a six weeks' visit with relatives in El Paso, Omaha and Souix City, Iowa.

Mr. and Mrs. Richard Mitchell are exchanging their home on Dunbarton street for a ranch near San Luis Obispo. Though they will give possession to the new owner, they do not expect to leave Tropico to begin ranching for a year. A short time ago Mrs. Mitchell returned from a month's visit in the east at the home of her mother.

Mr. and Mrs. D. O. Martin leave the last of the week for Oklahoma where they will probably spend the winter.

Mrs. John L. Sawyer of Mountain View avenue has been made happy by the arrival of her nephew, Louis Aff, his wife and brother, who motored all the way from New Jersey to her door. The party will probably spend some time in seeing the sights of Southern California.

Mr. and Mrs. Nicholson of Acacia avenue have just received word that they are the grandparents of a fine boy, born to their daughter, Mrs. Speeht of Lancaster.

Mr. J. Dible, formerly of Tropico and father of Mrs. A. Gabaig, left Tuesday to take a position in Arizona.

Miss Katherine Hobbs and Miss Alice Gray Beach attended the Paderewski recital Saturday.

Mrs. W. A. Hough of West Tenth street last Wednesday entertained at luncheon Miss Kathleen Garman, Mrs. A. D. Lovell, Mrs. Glen Craig and her little daughter, Mary Pauline Craig.

Last Monday evening a large number of young people from the Methodist and Presbyterian churches of this city motored to Los Angeles to attend a mass meeting at the First Methodist church of that city in the interest of Prohibition.

Mrs. S. I. Boring is building a new house at 209 East Palmer avenue. It will be an attractive one-story bungalow and is being built by J. J. Burke. Another bungalow is being built by Frank Ashton at 124 West Park avenue.

Johnny Getz spent the week end in Tropico but has gone back to Los Angeles, where he is employed.

Dodge's Qualifications

Voters should realize that the necessary qualifications of a candidate for the supervisorship of a great district are business ability and integrity. As mayor of South Pasadena, and in other offices and business enterprises, Jonathan S. Dodge has proved his splendid business talents and his fidelity to the interests entrusted to him.

BIRTHDAY DINNER

Mr. and Mrs. Robert Danner of 331 Gardena avenue entertained twenty-one relatives and friends from Tropico and Los Angeles with a dinner last Sunday for Mrs. Chadwick, in celebration of her 63rd birthday. She was the recipient of three decorated birthday cakes and no end of good wishes for many happy returns of the day, from the fortunate guests who enjoyed the pleasant function.

NOTICE!

We are making a special $1.25 offer of a year's subscription to the Sentinel and to four standard magazines. This offer is open to all new or old subscribers. By subscribing to the Sentinel now you get $1.35 worth of magazines for only 25 cents extra. The magazines are all high class and will make a valuable addition to the library of any home. We want to call your attention also to the free dress pattern that is given to each subscriber.

We don't make a cent on these magazines. The only reason we offer them to our customers is for the sole purpose of saving our readers money. It is our intention to give our subscribers the advantage we receive from magazine publishers. It is for your benefit alone that we offer you these four magazines at such a big reduction.

HOME INDUSTRY DAY

At a recent meeting of the directors of the Van Nuys Chamber of Commerce it was decided to hold a Home Industry Day in Van Nuys, Saturday, October 14. The principal object of this event will be to bring the people of the community in closer touch with the activities going on in this place, to have them see the different plants in operation and to have them visit and see what is going on in the poultry section and other branches of ranching operations.

Owing to the recent wide-spread showers, the worst of the forest fire season in the National Forests of northern and central California is now over, according to Assistant District Forrester Roy Headley.

The Los Angeles Chamber of Commerce is offering two prizes of $25 and $10 for the most appropriate and artistic designs for a poster to advertise Home Products Week in November.

Coaching Children

Experienced Primary teacher will coach young children. Normal graduate; good references; reasonable terms. Address 319 Blanche Av.; phone, Glendale 15-J.

ROBERT B. MORTON

(late of the HARTSOOK STUDIOS)

Begs to announce the taking over of the Photographic Studio formerly run by the late E. P. TRESSLAR at 607 N. Brand Blvd., combining Mrs. R. B. Morton, late color artist for Miss Alice Hughes, Royal Photographer, of London, England; the Studio will in future specialize in Portraiture of the highest class.

STREET TREES

Mr. A. C. Fleury, horticultural inspector for this district, has just completed a count of the pepper trees in Tropico's parkways. He finds 500 on the roster but that only 350 will need to be pruned to let in sun and air to kill the scale from which these trees are such a host.

At the last council meeting Mr. Fleury urged that Tropico follow the example of Pasadena, Sierra Madre, Monrovia and other cities of Southern California by the taking over by the city of the care of these street trees. The inspectors have been operating under the State law by which they spray or trim such trees and collect the cost from the abutting property. In the case of large trees such as shade the highway on Glendale avenue, it is quite a burden to the residents thus taxed and they protest against it as an injustice because the city claims possession of the trees and does not allow any trimming or removing to be done except by municipal authority. Because of this conflict of authority and because the whole town is benefitted by beautiful highways, cities have been persuaded to take the course recommended to Tropico. Mr. Fleury will report to the council at its next meeting and the city fathers will probably accept or reject the proposal.

MASONIC DELEGATE

Mr. D. S. Erskine, of Blanche avenue, Tropico, left Sunday night to attend the Masonic convention of past masters which is being held this week in San Francisco by the Grand Lodge. Mr. Erskine is a master mason in the Glendale-Tropico organization, Unity Lodge No. 368. The delegates expect to put in a full week and have many excursions in addition to the daily sessions. He will return to Tropic next Sunday.

A bargain is not merely low price. Only when you get low price and quality do you have a bargain. Call at our office and see for yourself the club of four magazines that we offer for only 25 cents more than the cost of our paper alone.

TROPICO INTER-URBAN SENTINEL

(Established 1910)

Published every Wednesday at Tropico, California, and devoted to the best interests and future welfare of the most healthful city in the San Fernando Valley. Come and see for yourself.

Gertrude Gibbs .. Editor and Owner
Edith A. Cross .... Associate Editor
Telephone: Glendale 1500.

"Entered as second-class matter May 23, 1916, at the postoffice at Los Angeles, Cal., under the Act of March 3, 1879."

OFFICIAL PAPER OF THE CITY

Subscription, $1.00 per year.

Advertising rates furnished on application. The Value of the Tropico Interurban Sentinel as an advertising medium is obvious when its field at the head of the San Fernando Valley is considered. The nature of the paper, the character of its subscribers and the class of advertising it carries tell the whole story.

SIGNS OF THE TIMES

Billy Gould has found out that being an officer, even in a beautiful little city like Tropico, is not all sunshine.

Some time ago some carping critic complained to Billy about the two signs designating Tropico which had been placed about 25 feet from the highway on vacant realty at the junction of San Fernando Road and Brand Boulevard to mark the entrance to the city. They are neat but not gaudy signs and unmistakably point out Tropico and its business district to the travelling public. They were built and placed at the expense of Tropico citizens who were cheerfully ready to contribute to so practical a method of putting Tropico on the map and indicating its whereabouts in the much frequented San Fernando Valley. The citizens were pleased with their investment and all went well until the carping critic above referred to, sought Mr. Gould and lodged complaint on the ground that they violated the provisions of an ordinance long buried in the archives of the City Hall, which stipulates that no bill board shall be placed nearer than 150 feet from the intersection of any street. He, the unknown critic, demanded that the signs be made to comply with the ordinance.

Billy reported this complaint, as a zealous officer should, to the Board of Trustees, with the plausible argument that such a flagrant violation of sacred city legislation would open the way to general defiance of law and order. The trustees promptly decided that the signs must be made to comply with the ordinance, but at that juncture the innocent bystander bobbed up with the query: "What about the others? What about the signs in the parkways?" So the Council instructed Billy to enforce the law against all signs. Billy looked serious but put on his "do or die" expression and the next day the City of Tropico signs were "backed" 125 feet from their natural location. But the sign maker had builded better than he knew. Still the legend "Tropico" triumphantly dominated the wilderness of weeds which encompassed it and which had all summer defied city and county ordinances unabashed. Then other innocent bystanders began asking "what about the other signs?"

Billy rested from his executive labors for a few days and the Council had another meeting at which a petition was presented for the placing of a sign in the parkway adjacent to a church, which petition was promptly granted. Then more innocent bystanders began to jeer Billy about his job. Billy was wroth and seemed to think that the Council was trying to play both ends and the middle and make him the goat. His "do or die" expression deepened and in the face of general skepticism he issued a warrant for the arrest of a citizen who had ignored his order to remove an oil sign from in front of his premises.

Nobody had believed Billy would do it, but he was game and declared his intention to carry out the Council's orders at all costs. The surprised citizen appeared before the Recorder Monday, plead "not guilty" and asked for time in which to consult his attorney.

Billy feels happier. He has demonstrated the metal of which he is made and passed the buck to the City Recorder, whose turn it now is to look worried.

CLASSIFIED COLUMN

WANTED—C. E. McPeek of 1210 Broadway, Glendale, wants your plumbing. Call him up. Sunset 889. Prices right; prompt service.

Lace and bungalow net curtains hand-laundered 25c per pair. Phone Glendale 887. Called for and delivered.

THE FRIEND OF CHILDREN

"The Friend of the Children" is the title which was well earned by the Hon. Charles W. Bell while he was serving in the Sixty-third Congress, at which time he took the lead in the memorable fight made on the floor of the House of Representatives to extend and make more efficient the work of the Children's Bureau, maintained by the government under the direction of Miss Julia C. Lathrop.

Although this bureau had previously been etablished Congress did not pay much attention to it until Mr. Bell forced the matter of more liberal support upon the attention of the House. He found that only $25,000.00 was being appropriated by the Sixty-third Congress, but before he had finished his campaign the allowance had been raised to $165,000.00. "Just why we should appropriate $600,000.00 for the Animal Bureau and only $25,000.00 for the Children's Bureau is more than I can figure," said Mr. Bell to his colleagues and his argument was so sound that they yielded, at least to the extent noted.

The appropriation thus secured placed the Children's Bureau, for the first time on a basis of real efficiency, and the work it has done since then in ameliorating conditions incident to child life in many sections of the country has more than vindicated the wisdom of the more liberal policy Mr. Bell was so instrumental in getting Congress to adopt.

HON. CHAS. W. BELL INDORSED

"As a member of the Sixty-third Congress, Chas. W. Bell made an enviable record, proved himself to be an able representative, achieved no little recognition, was an ardent advocate for woman suffrage and time and again gave practical demonstration of his stand for prohibition.* * * If the hearty welcome accorded to Mr. Bell in Pomona can be taken as an indication of the manner in which influential men of the city will stand behind him in the race, Pomona should give him a vote which should be no small compliment."—From the Pomona Bulletin.

If you can't look wise, try looking interested. It'll work.

Profits come from the man whose heart is in his work.

OFFICIAL JOBS

Civil Service examinations for Los Angeles County positions will take place as listed below. Additional information may be obtained by addressing Los Angeles County Civil Service Commission, 1007 Hall of Records, Los Angeles.

List of open competitive examinations scheduled for the month of October and November, 1916. Applicants must be at least 21 years of age and bona fide residents of the county of Los Angeles.

Pile Driver Men, (including Foreman and Engineer) date not set. (Salaries, $3.50 to $4.50 per day.)

Above dates are subject to change prior to publishing detailed Official Bulletin announcing the same. Above schedule does not exclude the holding of other examinations on intermediate dates as the necessity therefor may raise.

LOS ANGELES COUNTY CIVL SERVICE COMMISSION,
By F. E. Doty, Secretary.

GOOD TEMPLARS

Mr. Robert Taylor represented Tropico at a convention of Good Templars which opened in Glendale last week Tuesday and over which W. K. Jess of Pasadena, Grand Chief Templar, presided. About 150 attended the banquet given in the evening which was followed by after dinner speeches, the first being an address of welcome by Mayor Thompson of Glendale, to which Mr. Jess responded. Rev. C. R. Norton gave a talk and was followed by Congressman Randall who recited the difficulties of pushing legislation through Congress. Wednesday was devoted to business and on Thursday officers were elected, Mr. Jess being continued as Chief Grand Templar. Glendale gave the delegates an auto ride in the afternoon and the convention closed with the installation of officers and the singing of "God be with us 'till we meet again."

Notice is hereby given that sealed proposals will be received up to 5 o'clock p. m. of October 19, 1916, by the Board of Trustees of the Tropico City School District, for the purchase of supplies. List of said supplies is on file with clerk.

ABBY P. BARKER,
Clerk.

NOTICE OF AWARD OF CONTRACT

Pursuant to Statute and to the Resolution of Award of the Board of Trustees of the City of Tropico, California adopted the 26th day of September, 1916, directing this notice, notice is hereby given that the said Board of Trustees in open session on the 26th day of September, 1916, opened, examined and publicly declared all sealed proposals or bids offered for the following work, to-wit:

FIRST: That Hill Street from the south line of Moore Avenue to the north line of Green Street be graded to the official grade, and that the roadway of said Hill Street between said lines mentioned, except where a bridge is to be constructed thereon as hereinafter described, be macadamized to official line and grade in accordance with Plans Nos. 79 and 79-A, adopted by said Board of Trustees and on file in the office of the City Engineer, and in further accordance with Specifications No. 79, adopted by said Board and on file in the office of the City Clerk.

SECOND: That a cement gutter 3 feet in width be constructed along each side of the roadway of said Hill Street from the north line of Green Street to the southerly line of Sycamore Canyon Wash, in accordance with the above mentioned Plans Nos. 79 and 79-A, and the above mentioned Specifications No. 79.

THIRD: That a cement curb be constructed along each side of the roadway of Hill Street from the southerly line of Moore Avenue to a line 6 feet south of the north line of Green Street, except across Sycamore Canyon Wash, in accordance with the said Plans Nos. 79 and 79-A and the said Specifications No. 79.

FOURTH: That a cement sidewalk 5 feet in width be constructed along each side of Hill Street from the southerly line of Moore Avenue to a line 6 feet south of the north line of Green Street, except across Sycamore Canyon Wash, in accordance with said Plans Nos. 79 and 79-A and the said Specifications No. 79.

FIFTH: That a wooden bridge and connecting walks be constructed in said Hill Street across the channel of Sycamore Canyon Wash, in accordance with said Plans Nos. 79 and 79-A and said Specifications No. 79.

SIXTH: That a wooden bulkhead, approximately 45 feet in length, to protect said Hill Street and other streets of the City of Tropico from overflow by water from the Sycamore Canyon Wash, shall be constructed in accordance with said Plans Nos. 79 and 79-A and said Specifications No. 79, in a certain right-of-way owned by the City of Tropico for that purpose, which said right-of-way was conveyed to said City of Tropico by Edna Price and Charles H. Price by a certain deed dated August 5th, 1916, and accepted by the Board of Trustees of said City August 8th, 1916, and is described as follows:

"A strip of land 10 feet in width, being portions of Lots 1 and 3 of Ungerland's Subdivison as per map recorded in Book 8, page 41 of Maps in the Recorder's Office of Los Angeles County, the center line of said strip being described as follows: Beginning at a point in the east line of Lot A of Tract No. 392, as per map recorded in Book 14, page 131, of Maps in the Recorder's Office of said County, which point is south 2 deg. 44' 20" east 60 feet distant from the northeast corner of said Lot A; thence north 72 deg. 15' 40" east 45 feet to a point, said strip of land being bounded on the west by the east line of said Lot A, and bounded on the east by a line at right angles to the above described center line."

SECTION 2. That the said contemplated work or improvement in the opinion of said Board of Trustees is of more than local or ordinary public benefit, and the said Board of Trustees makes the expense of said work or improvement chargeable upon the district hereinafter described, and declares that the district in said City of Tropico benefited by said work or improvement is described as follows:

Beginning at the intersection of the center line of Moore Avenue with the northerly prolongation of the west line of that portion of Lot 41 of Watts Subdivision of a portion of the Rancho San Rafael, recorded in Book 5, page 200, Miscellaneous Records of Los Angeles County, as described in deed recorded in Book 308, page 84 of Deeds, records of said County; thence southerly along said prolongation and west line of said portion of Lot 41 to the south line of said lot; thence easterly and northerly along the southerly line of said lot to the southwest corner of Tract No. 392, recorded in Map Book 14, page 131, records of said County; thence northeasterly along the southeasterly line of said Tract and prolongation thereof to the southwesterly line of Valley Boulevard; thence northwesterly along the southwesterly line of Valley Boulevard and prolongation thereof to the center line of Moore Avenue; thence westerly along the center line of Moore Avenue to the point of beginning. The boundaries of said district are more particularly shown by a map thereof adopted by said Board of Trustees on the 15th day of August, 1916, and on file in the office of said City Engineer, which is hereby referred to for further particulars.

SECTION 4. The said Board of Trustees determines that serial bonds shall be issued to represent each assessment of $25.00 or more for the costs of said work or improvement; said serial bonds shall extend over a period of nine years from the second day of January next succeeding the date of said bonds and shall bear interest at the rate of seven per cent per annum and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January of each year after their date until the whole is paid and the interest shall be payable semi-annually by coupon on the second days of January and July respectively of each year at the rate of seven per cent per annum on all sums unpaid until the whole of said principal and interest have been paid.

And thereafter, to-wit: On the said 26th day of September, 1916, said Board of Trustees awarded the Contract for said work to the lowest regular responsible bidder, to-wit: E. Schelling at the price named for said work in his proposal on file, to-wit:

Macadamizing, per square foot, 4⅛c.

Grading per lineal foot, 75c.

Curb, per lineal foot of cement curb, 24½c.

Gutters, per square foot of gutter, 13c.

Sidewalks, per square foot of sidewalk, 9½c.

Bridge and bulkhead complete, $1500.00.

City Clerk's Office, City of Tropico, California, September 26th, 1916.

MARGARET R. COLEMAN,
City Clerk and Ex-Officio Clerk of the Board of Trustees of the City of Tropico.
